WORK EXPERIENCE

University Hospital

Aug 2023 - Present

Social Worker, Center for Trauma Survivorship

- Provides interventions for the support of patients and families following a traumatic injury.
- Develops and implements social work plans and interventions efficiently and effectively to assure continuity of care.
- Provides psychosocial assessment and counseling of patients and families relating to the social, emotional and cognitive capabilities of patients in relationship to their traumatic injury and health maintenance needs.
- Utilizes research and data to best inform practice and social work service delivery.

CUMACECHO, INC.

Apr 2023 - Aug 2023

Program Coordinator

- Work with Passaic County Interagency Council on Homelessness (PCICH) to fill all 11 beds at Place of Promise.
- Implement a Housing First model by providing assistance in crisis intervention, short-term stabilization, screening, and intake and needs assessment.
- Ensure all data in the Homeless Management Information System (HMIS) is up-to-date and accurate.
- Cultivate and sustain relationships between CUMAC and partners interested in creating programming to prevent or mitigate ACEs.
- Manage all relationships with organizations and individuals related to the Regional ACEs Collaborative.
- Maintain complete, accurate, and detailed records of all proposals received and the outcomes of the funding requests.
- Coordinates student fieldwork programs with multiple colleges to build a robust hiring pipeline.

CUMACECHO, INC.

Oct 2021 - Apr 2023

Grant and Communications Coordinator

- Sources and evaluates grant opportunities to optimize budget allocations, ensuring that all upcoming projects are fully funded.
- Author and edit grant applications that account for approximately \$2M in institutional and individual donations annually.
- Manages the organization's grant portfolio and fiscal calendar to ensure long-term financial stability.
- Educates staff and stakeholders on trauma-informed best practices.
- Schedules, coordinates, and evaluates task force meetings for Impact Passaic, a multi-sector collaborative effort that aims to create scalable and sustainable programs to improve support systems for individuals and families in Passaic County.

CUMACECHO, INC.

Mar 2022 - Jun 2022

Research and Evaluations Intern

- Collaborated with cross-functional Operations & Research teams to gather, scrub, and action on business-critical data.
- Authored program-specific literature reviews and organization-wide manuals.

CUMACECHO, INC.

Jul 2021 - Oct 2021

Social Work Intern

- Developed processes and programs for CUMAC's rehabilitation center, ensuring that residents receive the care and services required.
- Leveraged clinically recommended trauma-informed tactics to build trust with home delivery clients and Place of Promise residents.
- Authored informational content on trauma-informed best practices and documentation.

Ramsey School District

May 2019 - Oct 2021

Special Education Paraprofessional

- Conducted discreet learning trials for students with disabilities from Pre-K through 3rd grade, facilitating their transitions from sessions and mainstream classes.

Whippany Park High School

Dec 2018 - May 2019

Special Education Paraprofessional

- Assisted students with disabilities from 9th through 12th grade with tasks as needed and facilitated their transitions from sessions and mainstream classes.
